Banner to Provide Health Services at Creighton Elementary School

Phoenix, Arizona - February 22, 2007 - Banner Occupational Health Services is partnering with the Creighton School District to provide a variety of health care services at Creighton Elementary School. Banner will be coming to the school one day a week and will provide all services free of charge.

- Health history and physical examinations
- Diagnosis and treatment of minor acute illnesses and stable chronic illnesses
- Health care follow-ups
- Health promotion counseling and guidance regarding certain foods to eat, exercise and steps to stay healthy and avoid injury
- Identification of high risk family dynamics
- Age appropriate guidance regarding tobacco, alcohol and drug use, how he or she is doing at school, emotional well-being, and normal growth and development
- Health education regarding identified health problems
- Pharmaceutical prescriptions
- Selected laboratory tests
- Referrals to other health care agencies

“We’re very pleased with this new partnership,” said Superintendent Charlotte Boyle, Ed.D. “It will go a long way in helping to create a healthy learning environment for the students at Creighton Elementary.”
