In addition to helping students excel in academic achievement and social development, full-day kindergarten is a fun and exciting place to learn. Its nurturing

and creative environment builds a strong foundation for life and learning. Full-day kindergarten also makes the transition to elementary school easier.

OUR STAFF

Classes are taught by certified teachers who provide activities and learning experiences that develop intellectual, emotional, physical and social abilities. Subjects include reading, mathematics, language, science, art and music.

If you have a child ready to start kindergarten, we invite you to check out the exceptional classes offered at Excelencia Elementary.

EDUCATION

Dedicated to Excellence

Every student deserves a quality education. At Excelencia, we are committed to creating a safe learning environment, partnering with parents, and supporting our teachers with cutting edge teaching strategies. Our mission is to ensure each and every student receives the skills necessary to be successful in higher education and life.

State-of-the-Art Technology - The combining of wireless technology with laptop computers has propelled Excelencia to the forefront of learning. With our mobile computer labs, each student has access to his or her own computer. Students and teachers are able to take advantage of exciting, new computer- and internet-based learning opportunities, providing them with access to an abundance of information on nearly any subject.

A QUALITY EDUCATION STARTS WITH QUALITY TEACHERS

Caring Teachers

Our teachers and staff have high expectations for our students and are dedicated to helping them reach their full potential. The teacher development programs at Excelencia are designed to accelerate the learning of all students, so they can reach the highest levels of academic achievement.

Parent Involvement

Parent involvement is a major factor influencing a child's success. Excelencia's teaching staff and our parent liaison work closely with parents to help them assist their children at home in an effort to get the best possible results.

Gifted and Talented Program

Excelencia offers a gifted and talented program which provides enrichment and academic acceleration for gifted students. It is available to all students who qualify.

Extended Learning Opportunities

Students at Excelencia enjoy a variety of extracurricular and extended learning opportunities that provide additional academic support, participation in clubs, and a competitive sports program. Students can participate in concert band and concert choir, student council, and National Junior Honor Society.

Students can enhance their reading skills by joining our Battle of the Books team. It is consistently one of the top teams in the district.

Sports

The Excelencia Eagles compete in a variety of athletic sports including basketball, softball, soccer, and flag football. Our Eagles are supported

by our cheerleading team, an opportunity available to students in the upper grades.

Junior Ambassadors

One of our most exciting extracurricular activities is our Junior Ambassadors program. Every year a group of students is selected to represent our school in Washington D.C. Students spend the year raising funds and learning about our nation's capital. In May, the students culminate their work with a week-long trip to see our government in action and visit the numerous historical sites and monuments. For many students, the trip is the experience of a lifetime.
